

AN ORDINANCE REGULATING CONTAINER PLACEMENT AND TIME RESTRAINTS FOR SCHEDULED COLLECTION

BE IT ORDAINED by the Town Council of Sunset Beach that the following section of the Code of Ordinances is hereby amended to read as follows:

§50.03 - CONTAINERS.

(A) Generally.

- (1)
 - (a) The owner and any other person or party who occupies every building, premises or place where garbage does or may exist shall use carts provided by the contractor of the sanitation services in which he or she shall deposit all garbage existing at the place occupied by him or her.
 - (b) Each owner of every building, premises or place which uses carts is responsible for repairs to the carts not caused by normal wear and tear. It shall be the responsibility of the owner to contact the local sanitation services contractor for details.
 - (c) Each owner of every building, premises or place which uses carts is responsible for theft. It shall be the responsibility of the owner to contact the local sanitation services contractor for details.
 - (d) If an owner desires an additional cart, he or she will be charged for the additional cart by the existing rate at the time. It shall be the responsibility of the owner to contact the local sanitation services contractor for details.
- (2) All carts must be kept at the house and out of view, and placed at the street no earlier than 2 p.m. the day prior to collection, and at least by 6 a.m. on the scheduled day of collection, and pulled back to the house and out of view by 2 p.m. on the day after collection.
- (3) It is unlawful to dispose of hazardous, explosive, highly flammable, toxic, infectious, pathological, residual, radioactive, volatile or illegal waste into the garbage containers which are collected by the town or anyone acting for the town.

(B) Commercial requirements.

- (1) The owner/occupant of every building or premises engaged in commercial activities which produce garbage and trash must contract directly with the contractor of the sanitation services.
- (2) The installation and placement of these containers must meet all regulations of the County Health Department.
- (3)
 - (a) All restaurant containers must be placed on a concrete slab with proper drainage into septic tank system.
 - (b) Restaurants must have connections for hot and cold water for cleaning containers.
 - (c) Disposal of hazardous waste. It is unlawful to dispose of hazardous, explosive, highly flammable, toxic, infectious, pathological, residual, radioactive, volatile or illegal waste into the garbage containers which are collected by the town or anyone acting for the town.

Adopted this the 24th day of January, 2012

Town of Sunset Beach

Richard Cerrato, Mayor

Lisa H. Anglin, Town Clerk
